

Clinic for ICSE Social Design Innovation Plan Competition 2014

— Social Innovation for Sustainable Society —

Sep.27, 2014 Saturday 14:00-16:00

Oct.4, 2014 Saturday 14:00-16:00

West Building No.9 Room#711

Ookayama Campus, Tokyo Institute of Technology

<http://www.titech.ac.jp/english/maps/index.html>

Co-organized by

International Center for Social Entrepreneurship (ICSE)

IDE Abe Laboratory, Tokyo Tech

The “Social Innovation” is the introduction of new methods and structures to address social problems such as poverty, long-term unemployment, human right or environmental problems, and the leaders of these activities are called “Social Entrepreneurs”. We, ICSE, will support “Social Entrepreneurs”.

Programs of Clinic
